

NEW HAMPSHIRE RESIDENTIAL AND SMALL COMMERCIAL TERMS OF SERVICE

This is an agreement for electric supply service between Think Energy, LLC (“Think” or “Think Energy” or “Company” or “we” or “us”) and you (“Customer” or “you” or “your”) (Think and Customer together, the “Parties”), for the service address(es) set forth in your welcome letter. These Terms of Service (“TOS”), together with your Disclosure Summary, your voice-recorded verification of authorization or electronic enrollment, as applicable, your welcome letter, and any other enrollment materials (collectively, “Enrollment Documentation”), collectively describe your agreement with respect to your purchase of electric supply service from Think (“Agreement”) and constitute your contract with Think. **PLEASE READ THESE TOS CAREFULLY.**

Purchase of Electric Supply Service:

Think is registered with the New Hampshire Public Utilities Commission (“PUC”) to offer and supply electric generation services in New Hampshire. As a competitive electric power supplier of retail electricity, Think will supply the electric generation to your local Electric Distribution Utility Company (“EDC”), based on your usage. Your EDC will then deliver the electricity to you.

Right of Rescission – You have a right to rescind your enrollment within five (5) business days from the date that you receive these TOS if delivered electronically or within six (6) business days from the postmark date on the envelope accompanying these TOS if sent via first class mail. Although Think Energy does not conduct in-person solicitations, we are required to provide you with the following additional disclosures: if you enrolled through an in-person solicitation at your residence, you have a right to rescind your enrollment within ten (10) business days if these TOS are delivered electronically or

eleven (11) business days from the postmarked on the envelope accompanying these TOS if sent via first class mail. To rescind your enrollment, contact Think Energy by calling 1-888-823-3633.

Rate. You agree to pay Think amount per kilowatt hour reflected on the Final Page of this TOS (the “Rate”) for the electric generation service or product that Think provides to you, including, if applicable, its purchase of RECs (“Service(s)”). The Rate does not include and you will be billed by your EDC for charges related to the delivery of electricity, including but not limited to, the price of transmission and distribution, the system benefits charge, stranded cost recovery charge, and taxes associated with providing your electricity service; therefore, the Rate is not the total price per kWh that you will be required to pay for electric service. Your Rate will not change during the Initial Term of this Agreement. The Service(s) you buy from Think will be included on the monthly bill that you receive from the EDC. The EDC will continue to read your meter, bill for delivery services, as well as various other charges, and respond to emergencies.

Taxes/Fees. You will be responsible for any and all taxes, which may include, but shall not be limited to, gross receipts taxes and sales or use taxes imposed on Think and/or you by federal, state, and/or local authorities, that apply to your electricity supply and for all fees, assessments, and government charges related to the Service(s). These taxes and fees will be included in the Rate and/or as a separate line item on your bill. You are responsible for paying any new or increased taxes imposed on us or you related to the Service(s) during the Initial Term or any Renewal Term of this Agreement.

Change in Law or Regulation. In the event that there is a change (including a change in

interpretation) in any law, regulation, rule, ordinance, order, directive, filed tariff, decision, writ, judgment, or decree by a governmental authority, regulatory body, or the regional Independent System Operator, or in the event any of the foregoing which is existing as of the date of this Agreement is implemented or differently administered, including, without limitation, changes in tariffs, protocols, market rules, load profiles, capacity tags, demand measures, and such change results in Think incurring additional costs and expenses in providing the Service(s) contemplated herein, these additional costs and expenses may, at Think's option, be assessed to you in your monthly bills for service as additional pass-through charges to the extent permitted by applicable law. If there is a change as described in this section that impacts any term, condition, or provision of this Agreement, including, but not limited to price, we shall have the right to modify this Agreement to reflect such change. Think will provide you with 10 days' advance notice of any such change.

Term. This Agreement will become effective, and your Service(s) will commence, with the first meter reading after (i) acceptance of the enrollment request by Think (at its discretion and consistent with the terms of this Agreement), (ii) the processing of the enrollment by your EDC, and (iii) the end of any applicable rescission period. The initial term of this Agreement is reflected on the Final Page of this TOS (the "Initial Term"). Service(s) will continue until the meter read date of the final month of the Initial Term, unless renewed. If you are on a Renewal Plan (defined below), your renewal term will take effect on the first meter read date following the date your new renewal is processed by Think or at the end of your current term, whichever is later, and will continue until the meter read date of the final month of the renewal term ("Renewal Term").

Renewal Notice and Notification of

Changes. When the Initial Term or any Renewal Term of this Agreement is approaching expiration, we will send you advance written notice between 45 and 60 days before the expiration date via email or U.S. mail as designated by you as your preferred method of communication. The notice will explain your renewal options, which may be under the same or different terms and conditions ("Renewal Plan"). If you fail to take action at least three (3) business days before completion of the Initial Term or any Renewal Term, Think will either switch your account to EDC default service or continue serving you on a new contract (referred to as "Rollover Service") with no change to these TOS, *except* the Rate will be a new fixed price, which may be higher or lower than the Rate you pay during the Initial Term, and the term of the Renewal Term will be twelve (12) months. If you instead choose to cancel this Agreement at the end of the Initial Term or any Renewal Term, you understand that you are responsible for arranging to receive electric generation service from another entity by selecting a new supplier or you will be returned to the EDC's default electricity supply service.

Cancellation/Termination. Residential Customers: You may terminate this Agreement for any reason at any time, with no fee or penalty, by providing written notice to Think via email or U.S. mail, or by contacting us at 1-888-923-3633 or, without notice to Think, by contracting with a new competitive electric power supplier for electricity supply, contracting with an aggregator granted agency authority, or contacting the EDC to select utility default service. Small Commercial Customers: You may terminate this Agreement for any reason at any time, subject to an early termination fee of \$20 per month for each month remaining in the Term, by providing written notice to Think via email or U.S. mail, or by contacting us at 1-888-923-3633 or, without notice to Think, by

contracting with a new competitive electric power supplier for electricity supply, contracting with an aggregator granted agency authority, or contacting the EDC to select utility default service.

If you fail to meet any of the material terms and conditions of this Agreement, Think may terminate this Agreement upon 10 business days' prior written notice, via email or U.S. mail as designated by you as your preferred method of communication, stating the reason(s) for the termination.

Upon any termination of the Agreement, unless you have selected another competitive electric power supplier, you will return to the default electricity supply service offered from your EDC. You will also remain responsible for any unpaid balance as of the termination date.

Billing and Payment. You will receive a single bill for the Service supplied by Think and electricity delivery from your EDC at the monthly interval determined by the EDC. Your EDC may in some cases use estimated data for billing purposes. Payment is due according to your EDC's billing due date. Your EDC may offer budget, levelized, or other payment plans. Think does not require a security deposit. Bills not paid in full by the due date may incur a late payment fee on unpaid balances in accordance with the EDC's billing and late payment policies and procedures. In addition, you agree to pay us our costs incurred in collecting amounts owed us, including reasonable attorney fees and returned check charges. Think reserves the right to change billing methods and will provide you with 10 days' advance notice if it should choose to do so. If you are having trouble paying your bills, there are programs available that may be able to help, including the Electric Assistance Program and Neighbor Helping Neighbor. Renewable Energy Plan. If you select a "Renewable" or "Green" Product Plan pursuant to this Agreement, as reflected in your Disclosure Summary, you are agreeing to purchase from Think a product supported by 100% renewable energy credits ("RECs"). If you enroll in such a plan, Think will purchase and retire RECs in an amount equal to your consumption during the Initial Term or Renewal Term, which may be procured from national sources as allowed by applicable law. The electricity actually delivered to your service location will not come from a specific renewable electric generation facility.

Should any provision of this Agreement for any reason be declared invalid or unenforceable by final and applicable order by a court, arbitrator, or any regulatory body having jurisdiction, such decisions shall not affect the validity of the remaining portions, and the remaining portions shall remain in effect as if this Agreement had been agreed to without the invalid portion. If any provision of this Agreement is declared invalid, the remainder of this Agreement will be construed so as to give effect to its original intent and effect as near as possible.
